Part of the Seetec Group

Let's celebrate our fantastic women who attended the latest '13-day programme, 'We can, She can, You can...work in practical trades' held at CFO Activity Hub Chatham.

Our Programme delivered -

- Training interior decorating & tiling
- Commercial work experience
- Embedded Practical skills
- Training for a CSCS Green card
- Empowerment & Confidence
- Building

Tradeswomen showcasing practical trades

"It's really good seeing participants going from not talking to me to really interacting with me since they started OWE programme, I am now not having to call to say coming to group today.

It's really good to see that they've made a community within the group. It's so nice to see them being together nervous but be willing to have a go and now shining."

CFO Case Worker

O-W-E Impact!!

Learner feedback. "I feel that my confidence has grown a lot. My anxiety has reduced and have learnt a lot of new skills. Angela was amazing . I found her training very useful and learnt a lot "

Kelly Jeffery

O-W-E Impact!!

Learner feedback. "I have really enjoyed my time learning with Angela & Karen, the course has been both informative and enjoyable. It's been a great experience to be learning these new skills alongside other women and to be taught by women who have a passion for it."

Elizabeth Finnerty
